# How to Print and Use This Bundle

Download this document to your computer and save it for future reference. When you are ready to print one or more of these checklists for use, choose **File**, then **Print**. Once this entire document loads in your Printer queue, choose the specific **Single Page** you want to print so that you save paper and ink. And, of course, you can select **Black & White** if you don't want these checklists to print in color. Please note that you can use regular printer paper to print these checklists.

Please note there are five different checklist patterns to choose from that are already pre-filled with a list of specific food products used in most traditional Thanksgiving dinners. Why am I giving you five different pre-filled checklists? So, that you have choices, of course! Maybe you want to use the black and white checklist only to save on printer ink. Or maybe you love the watercolor pumpkins and using that checklist as you grocery shop will make you happy!

Also, I've included three different checklist patterns that are blank so that you can hand write your own list. Two of the checklists provide a single column for your list of foods/products and the third checklist has two columns to allow you more space for a larger list. Again, I'm giving you options!

I've included a few bonuses at the end...don't forget to check out the last few pages of this eBook!

**Enjoy!**

# About the Author

Carole Burkhard is the founder, content creator and photographer of the blog, Toot Sweet 4 Two. Launched the summer of 2012, [Toot Sweet 4 Two](#) is a lifestyle blog with an emphasis on food and recipes. A self-taught home cook, the basic foundation of her cooking experience was through helping her father and mother in the kitchen.

Married to Charlie (25+ years), her main recipe ‘tester’, Carole cooks every day and loves to experiment and create something new. Charlie and Carole have had many pets over the years, but their current, one-and-only pet is [a boy named Coco](#), their beloved and very spoiled Snowshoe Siamese cat. His picture pops up on the blog with relative frequency AND for a Coco overload, visit [MEET COCO](#) on Carole’s site.

Creating this eBook, *42 Items for Your Thanksgiving Dinner Shopping List Printable Bundle*, has been a labor of love to the online community. In curating this collection of cards for readers, Carole hopes to inspire women everywhere as they have inspired her. Hop over to Carole’s website and join her often at [Toot Sweet 4 Two](#).
