How to Print and Use These Designs

Download this document to your computer and save it for future reference. When you are ready to print one or more of these designs for use, choose **File**, then **Print**. Once this entire document loads in your Printer queue, choose the specific Single Page you want to print so that you save paper and ink. And, of course, you can select Black & White if you don't want the designs to print in color.

This activity book includes the following:

- 14 different Halloween-themed coloring pages
- 1 Halloween-themed color and count page
- 3 Halloween-themed connect-the-dot and color pages
- 1 Halloween-themed match the colors coloring page
- 2 Halloween-themed puzzles
- 2 Halloween-themed maze games
- 1 Halloween-themed math page
- 2 Halloween-themed crossword puzzles
- 2 Halloween-themed word scrambles
- 1 Halloween-themed matching game
- 2 Halloween-themed cut-and-glue paper dolls

31 Games, Puzzles, and Coloring Pages in all!

Please note that the coloring pages are all together on the first few pages. This is because since they are all black & white, I placed them together to make it easier to print the coloring pages all together by choosing those pages only in your printer, thus saving ink.

All the various games and puzzles follow after the coloring pages because some have just a bit of color and others are full color.

NOTE: Please note that this eBook and the printable activities included are for personal use only.

Enjoy!
